

Change Perspective

This can often be hard to do, but try putting yourself in other people's shoes. Sometimes you can get too attached to your own work, I know I always do it. You may be too close to notice that there are faults visible from afar.

Share your ideas with others, and get a fresh pair of eyes to look at your work. Encourage constructive criticism, you don't have to take it all on board, but it may offer up some seriously beneficial observations.
